“ *Im so thankful James called Larry and I a couple of weeks ago as he lay in the hospital and had been there for a month already. He had asked me then to put him on my prayer lists, which I did. I'm so sorry for your loss. Praying peace and strength for you all. I know he adored all of his family. Dorothy, he always talked and you and how he loved you, he did the same with his children. Im so sorry for the pain you're all feeling. God bless you all.*
