“ Although our shared history of 72 years has ended, my brother's memory will remain for all of us who knew him through all, or part, of that time. Our times together were too few, and often, too short, but I believe our common bond was always with us. Cheryl and I share our sadness with Jeff at Jim's passing. Rest in peace, my brother.

“ Jim was my big brother. I have so many good memories of spending time with his wife and family. He teased me mercilessly growing up, had a kind heart and looked the most like Mom of any of us. Sorry we didn't make that birthday lunch. Until we meet again...I love you, RIP Jim.
