

James Edward Dwyer

September 28, 1967 - April 16, 2016

James E. "Jimmy Dwyer", 48 died April 16, 2016. He was a life long Orlando resident. He is survived by his sisters Susan Hannah, Judy Dwyer, Linda Werhan and brother, Mark Dwyer.

Jimmy was the pot of gold at the end of the rainbow. He brought such a light to everyone he met with his smile.. His passion was fishing, cooking, hunting and he was an avid music lover. If you ever needed to know anything about KISS he was your go to guy. Jimmy always said "go big or go home" and he enjoyed every minute of his life. He had a mischievous sense of humor, but would always give you an straight forward answer.

James will be deeply missed and the Dwyer Family greatly appreciate your thoughts and prayers.

The family is holding a Celebration of Life April 30th at 1:00pm please email jdwyermojo@gmail.com to RSVP by April 23rd and you will be provided directions.

I still can't believe it... it's going on two years in April this year, 2018, and it doesn't seem real. I knew when it happened and after all we had been through in this lifetime my heart broke. Until we meet again with Magnum and Zak...

To me, Jim was part of the older crowd in High School that included my brother Todd and Brian Fitzgerald. We remained friends since then and would get the group together a few times each year. He was always the life of the party. I enjoyed Jim's "larger than life" stories. He lived life to the fullest. I will miss him dearly. My deepest sympathy to his family.

“ *Jimmy and I have known each other since we were little. I have so many memories of growing up with him.... playing kickball before elementary school started, birthday parties at my house in Park Manor, baseball games at Downey Park, driving to Colonial High School in his car with his Rock music blaring, our dogs playing together, Christmas parties, and so many more. I am so sadden and shocked by his passing. I am really going to miss him. With deepest sympathy to his family.*

“ *Very much in regret of losing contact with Jimmy over the last 15 years since I moved back to NC. We were very close through school and for many years after, we were inseparable. I am heartbroken over this news, until I see you on the other side, love you like a brother. Prayers and heartfelt sympathy to the family, may God hold you all close.*

“ Jimmy and I were classmates and friends from elementary school through high school. We knew he and his family well through ball, church, and the community. Although it has been many years since we spoke, his infectious laugh and wonderful grin will forever leave happy thoughts in my heart. Please accept my prayers and condolences to his family.

“ This is so sad. Had not seen Jimmy in a number of years but my son, David Walker played baseball with him at Downey Park. We were friends with all the Dwyer family. Our thoughts and prayers go out to all of you. I know he will be missed. God Bless You All.
