“ Hey babe its been awhile sence I posted something here but went to lunch with Charlie and junior and mercy and it was nice but would have been better if you were there with us but I know that you can't be there physically but your with us and especially me spiritually and I miss you every day. You know my love for you will be forever and eternity so we will be together again one day but only God knows when but I know this will happen and also with the family on your side and mine will be with us also that's what our Lord Jesus said that we will be all going to be with our love ones in heaven and that is what when its my turn that at least I won't be alone but with the love ones in my life especially you my wife Jamie the love of my life and my Queen. I am grateful that God gave me mine at an early age. I love you and miss you always but know your with me until I post next time sorry its been awhile but its not that I'm not thinking of you its I don't remember going to the post and I say a prayer every night for all of us and family but just don't think about the posting so much. Again my heart and soul will always be yours and our families your husband always Mickey.

“ Mom.. Not a day goes by where I don't talk about you.. Say your name.. Say a prayer for you or just think about you. I Miss you so much, more than words can express or even detail. It's been 5 month's today that you passed away, and it doesn't get any easier. I still wish you were home when I get home from work, and we could be sitting outside talking about the day.. laughing etc, like we used to do. Right about now I would be telling you about decorating for Christmas and getting into all that..

I miss you, I wish you were here.. The holidays are coming up, and it just feels empty without you here. I decorated a tree at home for you, in your honor.. Victorian colors, I know you can see it, and I hope you love it. I Love You Mom!!! xoxoxo

I wanted to share this pic because I know you Always wanted a Raggedy Ann Doll.. And I got you one, this was the picture that I used as inspiration for the Mothers Day Gift I painted for you this past Mothers Day.. “ Just sitting here at home thinking about all the laughs we had.. looking around the house and seeing your things and knowing that you are here with us. Henry says hello. Dad was folding the blanket this morning on the bed, and he said to me.. this was her favorite blanket.. The one with the owls on it.. I said I know, I bought it for you.. Remember how Rico would try and take it over when you laid it across the bed... So funny.. he would lay next to you on the blanket.. I hope you're holding Rico and he's at your side like he always was. My two favorites.. My Mom and My Son!! <3 Here's a Picture of Rico Mom.. XOXOXO

“ Aunt Jamie how I will miss our talks. We shared being blunt and opinionated. Our family can be a handful and you always found a way to deal with us all with smiles and laughs. We will all do our part to make sure Uncle Mickey and the kids/grandkids are taken care of. I love you and I know this is not goodbye, but rather see you later. Till we meet again...I LOVE YOU! Say hi to Grandma, Grandpa, and Aunt Dollie for me.

Angie Hernandez - June 20, 2018 at 04:37 PM
