“ Your Mom will be greatly missed, I had the WONDERFUL pleasure of getting to know you through my special friendship with Jack. We would have fun SKYPING and acting silly while doing so. Her smile is so gorgeous and contagious. She had an unconditional love for her son Jack, it was like no other Mother/Son relationship! Jane also loved Champ, KitKat, her family and friends with all her heart. I love you like another Mother Jane and I thank you for that. Please keep a close eye on your son, which I know you are and I will do my best to do so from here, lolLove and Miss You Lots, Sherri

“ I am so sorry to hear of Jane's passing. She was the bright light in my day at Universal Studios. When I worked with Jane, there were bound to be some good laughs. Her wry sense of humor made the day fly by. We used to delight in finding the weird places people would leave things. She was one in a million.
