

Jane Ellen McClelland

September 27, 1948 - July 26, 2023

Jane McClelland, born September 27, 1948, in Bryan OH. Jane was the second born of six girls in total. Each sister had/has unique giftings and talents. Jane was a true artist at heart. Her talents in oils, acrylics and water paints captured many beautiful creations. She was an inspiration to everyone who knew her. Many times, Jane was a guardian for those less fortunate and would help others whenever she could with what means she had available.

Music was inspirational in much of her artwork. The popularity of her style and designs exceeded beyond canvas works. She had frequent requests for custom murals for private homes, murals on several different buildings, and a custom acrylic floor mural. All of which were created by sending the message of love, caring and compassion to all mankind.

She is survived by Niels Richardson, ex-husband and continued partner/companion of 30+ years. Her daughter Robin Moore (FL), sisters; Patty Wrench (SC), Cheri McIntyre (FL) and Mellisa Legan (OH). Preceded in death by her son Perry McClelland, sisters Annette Sherer (NC) and Kate McClelland (OH).

She left us on July 26, 2023, as a result of the dreaded disease ALS (Amyotrophic lateral sclerosis) also known as Lou Gehrig's disease.

“ My sister Jane was fun to be with. Sometimes shocking little tales she'd share. She made me think of many new things to try, "go for it" she'd say. She stood by me during an issue in high school which made me feel better and proud she was my sister. So many things to say but most of all I loved her very much! Each and everyone of my five sisters. Spread the colors in heaven for us Jane and turn up the music so we can find our way. Love Cheri
