“ Momma you were the BEST mother anyone could of asked for. There's not a day I don't cry and my heart don't ache. This still seems so unreal to me and I wish it was a dream. I know your not hurting anymore and I know your with the ones you've been missing the most smiling that big ol unforgettable smile that you always had. Please keep watching over me and my boys they sure do miss you as much as I do. I promise to keep doing what I gotta do to make you proud. I'll forever be your mini and I know you'll be living inside of me. I love you mom.
