“ *We will always remember the kind and sweet man that Don Marino was. I know that Heaven was having a party when he left us because he was what we call a saint living on earth. May you rest in peace and know that you will be missed by Crystal, Destiny, Susana and Carlos Guzman.*

Shared Although he has gone, we will always be together And his spirit will live on in each one of us forever When you look to the sky, look for the brightest star As that will be Grandpa looking down on us from afar

And now I would like to thank the good Lord above For blessing us with our Grandpa, with his kindness and love Dear God, if it is not too much fuss Take extra special care of our Grandpa, for he is very dear to us Grandpa, if you are listening, say a prayer for us every day Be sure to protect us and guide us on our way We know when God called you, you had to go But we want you to know Grandpa we miss you and love you so. “ God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, "Peace bethine".
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home
