“ To my beloved family, I am heartbroken that I am not there with you at this devastating time. I know that like everyone on the planet, Jeffrey had his faults but we all loved him very very much. He was my bebbie (when I was too young to pronounce Jeffrey)....my protector (ask shelly).... my partner in mischief(lots of cut tail) my biggest annoyance (to put it mildly) but the love was always always there. I hardly ever saw or spoke to him but I knew that if I ever needed him he would be here in a flash(once i paid for his airline ticket of course). Take comfort in the fact that despite his faults he had a heart of gold and this made him popular and loved by many many people. I love you all very much and although I am not there physically, I am standing right there with you spiritually.

AP

They say that while you go through life and meet many people there are one or two that become very special and are forever in your heart; this was Jeffrey to me. I loved him when many wondered why. If they knew the Jeffrey that I knew they would understand. Regretably, I am unable to see you in person for the last time but you will always be in my heart. To uncle Jameel, aunty Annette, Shelly, Camille, Cindy, Roger and Shaun my deepest sympathy. May he truly Rest in Peace and may the angels sing and the trumpets sound as your chariot carries you into the Heavenly realm. I love you always Jeffrey.
