“ To my sister...Jennie, I miss you but know you are in a peaceful place. I have so much to say but no words can come out. I'm thankful the pain and suffering is over. I will do my best to help David through this time.

“ Jennifer and I have been friends for a lifetime. One Halloween we decided that we wanted to go to a haunted forest in the area so my mom took us. when we returned back to the house we went to our basement and decided to watch Halloween. My mom though it would be funny to drop something down the heat register to scare us and it sure did. We both ran out of that room as fast as we could. I have so many memories but this always made us laugh when we talked about it and my mom brings it up every Halloween! Thank you Jen for always making me laugh when I needed you the most. I will miss you.
