“ I loved Joe like a brother. He was one of my favorite guys to get in trouble with. He and fought side by side in or wild days. We shared ups and down together. Joe was my best man when I married the first time. I held his babies when they were little ones. He was family to me. I hold the memories of our time together dear to my heart. Rest in peace my dear friend. Although you are gone you live on in our hearts.
