“ Many years ago when Johnny's family first came to the US and lived in Cleveland, Ohio they belonged to Redeemer Lutheran Church when Rev Karl Heimer was pastor. Johnny joined the choir, which my husband directed. During one of his first rehearsals we were practicing a song which included a "duet" which is a musical term for when 2 people only sing, Johnny was singing, he was not part of the duet. Bob directed him to stop and said duet ... but Johnny just got louder and louder. Bob stopped the rehearsal and said "Johnny duet" and Johnny frustrated yelled back "I am doing it!!!" The Johnny's parents and siblings were truly a wonderful blessing to our church family.

*Rest in peace Johnny and my condolences to his family.*

*Sincerely, Diane Zellmer (Buehner)*
