“ John was my Husband, my Love, my Best Friend! We had great times and bad but always got thru it together. over 20 years and 250,000 mi. on his Harleys. He was a wonderful man who could get anyone to talk, and could always make me laugh. You will always be in My Heart and Soul My Love and I will forever Be In Love With You!!!

*Dawn, I'm so glad that you and John found each other. It makes me happy that he got to spend so much quality time with you in his life. I could always tell talking on the phone with him that he was a very happy man. I often mentioned to him that I thought you were very good for him, and he always confirmed that not only were you very good for him, but that you were the best thing he had! That means a LOT to me, and while I will miss him so much, I take solace in the fact that I know he had you by his side to take care of him and love him. You were exactly what he needed and always searched for through the years. I'm content knowing how happy we was living his life with you. Love and hugs to you, we're always just a phone call away! We are here for you anytime. Please take care of yourself.  
Brother Kevin.*
