“ *Lisa (Diane) and Donna....We will always remember the wonderful family vacations that we shared with the Ellis Family. Uncle John always made us laugh, whether intentionally or otherwise. Those were such wonderful times we shared with you two..your beautiful Mama, and Uncle John. Please treasure those happy times and the loving memories, as we do. Sheri*

“ *John came into my life more than 20 years ago when he moved from his home in North Florida to our home in Orlando to be close to his family, mainly his grandson Asad. It was very important to John to be a positive influence and offer guidance when and if he needed it. Asad, your grandpa was so proud of you and the man you have become.*
