“ *The First time I met Jose was at Bryce 'Mack' and Alurra's engagement party on April 27, 2014 How he felt at home talking to my oldest Son's Family The Medina's because they could all speak Spanish. Karla my daughter in law made some traditional food making the even so special. Jose and and I worked on moving a sofa for Mack and Alurra and fixing the Plumbing and tile work in the 'new' Condo. What a blessing it has been to enjoy time with such a generous, loving person. I am truly blessed in my life for knowing such a person. My last memory will always be at Alurra Kathryn's first birthday. Jose saw me come into the house and came over, we spoke for a few mins and I was blessed with a big hug. A man who will always be missed by so many loved ones.*

*To the McWithney family and especially Jeanne Chico I wish my words could help at this time. I know the deep love you feel for such a special person and how blessed you all are that you had Joes Alberto Chico in your life. Thank you for sharing him with our family. He will never be forgotten. Bless you all at this time of sorrow. May your hearts be filled with love, memories and laughter as you remember this sweet quiet man.*

*Love to all from all the McMillan Family

“ *It would surely help me if your spirit I could touch  
To just ask some simple questions, it would mean so very much  
I would ask my precious man if his cares were light as day  
Are you happy and once more smiling has your pain all gone away?  
Have you met our Je'taime did she take your hand to assist you on  
your journey That's forbidden yet to man? Were there gardens and  
sweet flowers as your soul moved toward the light was there  
harmony and laughter as you spread your wings for flight  
These are my questions as I kiss the moon goodnight.  
Words cannot express how much I miss you my precious Jose!!!!!!  
My precious Puerto Rican Archie Bunker!!!!!*
