“ oh, dad ... I'm just so sad right now ! I know that you are in a better place & that you are no longer hurting, but you are missed. Victoria & Xavier ask for you, but I tell them that you are now with God. Thank you for everything that you have taught me, Jose, and Emmanuel. You were very set in your ways, but one thing was obvious... you loved us very much, and you raised us to be strong & independent individuals ! I hope that we continue to make you proud. We love you !! Tomorrow will be hard, but we plan to celebrate your life, just like you wanted. We love you, dad, May you rest in Peace !
