“ *Joy had a bright and joyful spirit that matched her beautiful smile. No matter how much time apart has passed over the years apart, I will always remember the fun and laughter shared with her in my youth and will always hold those memories very close to my heart. I pray for the comfort and healing of the family at this difficult time. God Bless her mother, sister, and children. You are in my prayers. May God wrap his arms around you all and give you peace.*

My only sister, our lives together were short lived. I'm thankful God gave me you. It's taken a long time to change from thinking about the pain and heartache to remembering all off the happiness and the good we shared. Love you always. ❤️
