“ *Joyce and I would eat out together, we scrapbooked together and she made many trips with me to Summerfield FI after my Mom passed away. Joyce and her sister made me feel like I finally knew what it was like to have sisters. I will miss our phone calls and my visits I love you Joyce. You will always be in my heart until we meet again. ❤️❤️❤️*

*That was really sweet Joy. We did have so many good times together us 3 sisters. This is one of my favorite pictures of both of them!*
