

## Juana Sanchez Diaz

November 1, 1933 - January 3, 2020

Juana Sanchez Diaz, 86, of Orlando, Florida passed away Friday, January 3, 2020. She was born on November 1, 1933 in Dorado, Puerto Rico. It is with deep sadness that our family said goodbye to this beautiful woman. We are rejoicing that she is home with our Lord and has entered into His presence! However, with her passing the family has lost one of their greatest loves. If you knew her you loved her, it was impossible not to! She was the life of every party, dancing into old age with ease, laughing and cracking jokes, feisty, and absolutely the most genuine and loving person! She was a seamstress, creative, a caregiver and best cook ever (especially her Pastelles) She was everyone's grandma. She had a heart of gold. She was ready with open arms to give you a hug and knew when you needed one. She was a great domino player, and very competitive. She was classy and graceful. She loved her family and the Lord with a passion like no other. In return her family has adored her. Though she is gone from this world her legacy and memories go on in every single family member and friend that she has blessed with her life. We see her in her children who love like she loved, her grand kids whose lives were better for having her as their grandma, and even her great grand kids who have her fierceness and silly ways. Most of all she was a leader spiritually for this family with her constant prayers and example of Jesus and for that we are most grateful.

Juana is survived by her daughter, Nilda Esther DeJesus Galagarza; son,
