“ Julie was very good to me and I loved her.... I have a lot of fond memories of her coming to Sykesville visiting in the summer. She loved sitting on the porch rocking in the chair, playing Scrabble, taking a walk in the yard, going for rides in the car and telling stories about ‘ back in the day’ with family. She was very knowledgeable about flowers and plants. I am going to miss her, but when I talk and see her kids, they have a part of her in them. She will never be forgotten.

We will all miss Mom, but we can be comforted knowing she's with the Lord, and there is a joyous reunion in heaven, because she's with Nancy, Dicey And Dory. She is also with her mother, her aunt and uncles and all her siblings that have gone before her. We will see you again mom. Love, Donny.

I will miss my Aunt Julie, the memories I have were how she had a great sense of humor. Loved her laugh. Love to all of my cousins. Sorry for your loss. If it's any consolation, she passed on her sister's birthday. My mom.
