“ *Harold was a friend to many and respected by even more. He was always sincere and honest and loyal. We had many good times together and I never went anywhere with him that he didn't run into someone he knew; even on a flight to Atlanta. We figured it took him a few extra hours to get into heaven because he stopped along the way to talk to the many friends he knew. Rest easy my friend and watch over those left behind with broken hearts. Ted & Karen Cooper*

“ *I will miss you cousin. I'll remember all the good times we shared in Detroit. Your jazz show was the best, next to Rosetta. I'm sure they gave you a welcome concert with all your favorite musicians. Be with the Ancestors. We shall forever speak your name so that you will never be forgotten. Thanks Cuz.*
