“ *So young, so beautiful. What a terrible waste I was there when she was just a few months old and she was always like a little doll to me. Later her sister was born and I adored them both as any doting Aunt would. Living so far apart created too much distance and we lost touch as the girls grew up. Was not as close as I wish we had been. She was a beautiful , fun loving wonderful person and we're going to miss her being here.*

“ *to my beautiful sister: Her spirit has left and we say goodbye, God has given her wings and now she can fly No more pain,worries,concerns or weeps As to heaven she goes, her soul God keeps.*
