“ *I found thsee pictures and wanted to share them ...I miss my son more then words*

TiaRose Rodriguez - May 30, 2016 at 03:06 PM

“ *Christmas and new year have come and gone,and my heart still hurts and I can still cry at the mention of your name or a thought of you which is everyday even tho we didn't talk to each other as often as we would have liked I miss our little talks when we did,I miss your voice and I could see your smile when you would talk about Owen, Dylen and Austen,I've been keeping it to myself and not sharing my heartache where anyone can see,because we all know that's not how you would want us to be sad and depressed, but just so you know it's a mom thing and I cant help but cry in silence you will always be apart of me and I will never forget or stop missing and loving you my son*
