“*Kim, I just learned of your passing yesterday. I will miss you. You were such an amazing animal lover and wonderful mother to your boys and furbabies, even with all your foster babies. You saved and changed lives. It isn't fair that you are no longer here to continue to blossom, but I know your beautiful soul is still somehow enriching the lives of those in need. Thank you for raising three beautiful humans who I know will continue to spread love in their own ways, as you did. You will be terribly missed by many humans and furbabies. Thank you for all your kindness.*

“*My family and I want to offer our deepest sympathy on reading of the tragic, unexpected death of Kim. May the warmth of family and friends and your loving memories sustain you in the sad times ahead. It is truly comforting to know the Lord Jesus made a personal promise regarding our loved ones who have died. He promised a resurrection. A time when we will see them again. That guarantee is found at John 11:25. It is our hope these words will bring you comfort and hope.*
