“ *I only had the privilege of meeting Kimo a few times on campus, but each time, I remember that he was always positive and had a smile on his face. I am very sorry to hear of his sudden passing - I wasn't aware. Our thoughts and prayers are with the families. Kimo will be missed here as part of our Full Sail Family.* ”

“ *I was lucky enough to spend some time with Kimo during our Hurricane coverage. He was always an upbeat lively soul and we spent time discussing my travels through Hawaii. I'll always remember that deep gravelly voice as he'd call out to me from across the parking lot; he always brought a smile to my face. I know my condolences can't fill the hole left in his family; but I want them to know he was sincerely appreciated by all of his second family here at Full Sail. You will be missed brother; Rest In Peace!* ”
