“ *Kirby was one of the most kindhearted people I have ever had the pleasure of knowing. I met him through mutual friends on XBOX playing Call of Duty about 5 or so years ago. I thought of him as an extension of my family. That's just how our group of friends is. I'm going to miss you, Kirbo! @ Level up, my friend.*

Christine and Matthew, my family and I are praying for your healing, comfort, strength and peace during this painful time.

“ So sorry to hear about Kirby. He was a great childhood friend of mine while growing up on the hill in Coshocton. I remember playing star wars, matchbox cars and running around the woods where we lived. Prayers to entire family during this difficult time.
