

## Lacey Lynn Evans

July 16, 1982 - April 23, 2025

It is with great sadness that the family of Lacey Lynn Evans announces her tragic and sudden passing in a motor vehicle accident on April 23, 2025, at the young age of 42.

Always a free spirit, Lacey carved her own path in life. From a young age, Lacey was known for her loving heart, enormous smile and boisterous laugh. Always seeking thrill and adventure, Lacey sadly fell victim to a life of addiction which unfortunately masked the truly beautiful and wonderful person she was for many of her adult years. While her family is devastated by her passing, they find solace in knowing that Lacey no longer has to fight life's largest demons.

She is survived by her mother, "momma" Kimberly Fulmer of Illinois; sister, "sissy" Makenzie Fulmer of Utah; and father, Rick Evans of Florida. She will also be dearly missed by the rest of her family, her friends and her community in Florida and beyond.

Her momma and sissy will say goodbye at a private ceremony on the beach,

one of

Lacey's favorite places.

In lieu of flowers, please consider donating your time or resources to local or national

addiction programs and/or homeless shelters. Drug addiction is a mental health crisis,

and any support could help save someone's child, parent, or loved one and give them a

second chance at life.

SP

“ I came to know Lacey through her friendship between her and my sons.

*One of the sweetest young lady I've e er met. She brought a smile to your face bc she just loved people and life.I loved Lacey very much. So sorry*

*for the loss of this bright light to young to be gone*
