“ My friend, brother and best man at our wedding! Even though miles seperated us we spoke often and had our laughs! Could never get you to visit us in winter (you wimp)! So glad we had the reunion in 2011, good times old friends. Thanks for being my partner in crime along with Byron when Dan had to go back to NY to graduate! You will be greatly missed! RIP my friend, will be raising a beer tonight with you.

“ Lots of memories, going back to waking up to "Fast Eddie"(dad) yelling downstairs it was time to go to work(5am) to propping our elbows on the counter @ breakfast cause we partied til 3. Building his Harly from scratch, going to Marde Gras in 71 . Lots of great times and millions of laughs over the years ,and having him as my Best Man @ our wedding. Even though he moved to Fla. years ago we stayed in contact and could pick up right where we left off. Not a bad bone in the mans' body even though his bones didn't work so well for a long time. I'll miss my friend,my lifelong friend.

“ Larry was a solid friend to many and will be missed greatly. We shared many a can back in the day. I remember him always working on motorcycles and he had the smell of plating from Arlington Steel on him all the time. A great man gone too soon.
