“ Besides Laura being a good friend, she was also my neighbor. Our bedrooms shared the same wall, so whenever I just wanted to talk to her I would bang on the wall and we would talk out the window. I remember walking to school together and joking around. She was sweet, generous and funny too. I spoke to her on January that same year she passed and I'm so glad we spoke. I have her pictures when she came to my son's birthday party. I miss her so much. RIP my dear friend. See you soon. ❤️

“ Coming into the office at CHS will always be a treat for me. Laura, who called me *loca chica*, made me laugh, shared her wisdom, helped me whenever I needed it, was never too busy for me or any of us, affectionately called me "Chiliando" and too many memories to count, will be deeply missed. There are no words I can say... I will keep her memory close to my heart and thoughts always. To the family, I know the depth of your loss is not the same as mine. May you find peace in and through the midst of this somehow. My heart aches for you.

“ Taken way too soon, the world will mourn the death of not only a beautiful person but a dedicated mother. I cannot image the hole in her family caused by her passing or the darkness brought to the world by her brilliant candle being extinguished. However I must trust that the Lord knows what he is doing when he calls for a beloved mother to his side. She will truly be missed in the physical sense but I believe her spirit, dedication, love and joy of life will live on in her family and friends. Yes the world is a much darker place by her passing but I find solace in knowing that her love and dedication to family and friends means she is never to far away. Our hearts cry for her family because we know the void is unbearable. But may she find solace and peace in breaking her earthly bonds. Edwin, Gabriel and Chelsea you are not alone. If there is anything we can do just reach out without hesitation, we are family

“*LEE: My Loving Sister & Friend. We have had a lifetime of love, laughter, tears & adventures. You were always a source of encouragement, strength & we always had each other backs. We share a lifetime of memories. Our Heavenly Father Jehovah has blessed me with you in my life. You are resting now. And because of the sacrifice of his Son Jesus, this is not a goodbye but until we meet again. I pray that our Heavenly Father give US ALL the strength and endurance to take each day as it comes.*

*Rev 21:3,4 - With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Love you always Sis.*

“ *We all love Laura and the family. The most wonderful people you ever want to meet. Laura will truly be missed. Laura also saw the good in everything. At the Beach she talked about how proud she was of her family and how much she loved them. She was a beautiful person inside and out. She is still here in all of our hearts and always will be. This is not good-bye, we will all see you later.*
