“ *Larry and Marilyn were my parents' neighbors for many years. (Nancy and Claude Keeter) They helped each other through the years; death of my dad, passing of Marilyn, then my mom. I would visit Larry over the years and we had some really good chats. Every now and then I would bring him some homemade Italian food. I am so sad I didn't hear soon enough to be able to pay my respects. Thanks for the conversations, Larry, and watching over my mom those last few years. I will make some lasagna and eggplant parm just for you. RiP*

Larry and loooong time friend and co-worker Charlie. They spent many years together working in the building products supply industry. Charlie convinced Larry to join the company he worked for and their success and friendship continued to grow and remain strong through all the years.

“ I have spoken to Larry a few times through the years about community topics and Peppertree Neighborhood Watch program. Always so pleasant to talk with. In the past several months during the pandemic, when he was out sitting in the garage, I would wave as I passed by. He will be missed by the neighbors. Heart felt Sympathy to the family.

“ Larry I moved into your sub division 20 years ago and I became your neighbor and although we didn't speak much I knew if I needed a hammer or a nail you would have loan it to me. When my daughter Shakyrah told me she had stop by your house because you never left your car in the drive way she knew something was up. She spoke with your son-in-law Thomas, he told her you was not feeling to well. She said mom, you need to make Mr. Larry some soup to make him feel better. I did and took it over. Glad you and Thomas enjoyed it.. I really wish our lives wasn't so busy that we forget to check up on our neighbors on a regular.. Larry you will be miss by your friends and family. My condolences to the family. Now you are with your wife Mariyln.May you rest in eternal peace.... Your neighbor Adelina and Shakyrah.
