“ Words cannot express how sad I am! This is a great loss to our family! You were blunt but we loved you so much! I would be so mad at dad making me come to the house to set up the fights for you and him then joining you two! Then driving you home afterwards! I love you tio and I'll always remember our talks and laughs! You're one of a kind! To my cousins I'm sorry and I love you guys and we're here for you!

“ *Oh Tio- boxing and football nights will not be the same at dads anymore, but we will drink one in memory of him. Tio was a smooth tejano dancer, great singer, a jokester, and had that Figueroa attitude.*

My sincere condolences to my cousins, to his siblings, and the Figueroa family. Tio will be missed and remain in our hearts forever. XOXO.
