“ *Lena was so funny, I remember her from Trudy's hair salon back in the mid 1980s, I haven't talked to her in years, but thinking of her cracking jokes while doing my hair still puts a smile on my face all these years later.* ”

“ How can I start about the BEST grandma a guy could ask for. There is so much to say and so many great memories of Mim! She was loving, witty, active, independent and a downright daredevil - at times. I can remember spending time with her in the summer as a kid. Mim would single handedly watch Jason, Greg, and I, which couldn't have been easy. It was never a dull moment. From driving her Pacer at age 7 thru the park to shooting B.B. guns in the back yard. She would take us all around Disney even underground (employees only). Also sarcastically making each other laugh in the later years. It was great memories and fun times always. She was a Lady that Loved God and also loved life. Whether she was line dancing for hours or swimming marathon laps in the pool, she was truly a great example to all and Loved by so many people. I LOVE YOU MIM, we will all Miss you very much! I am Happy to know that you are in Heaven and Dancing Again! Love, Mike

“ I loved Lena so much. She was a wonderful God-fearing human being and I loved being around her. I will miss her terribly. When she was well, she was so active - line dancing and socializing. She really enjoyed her life. She will be missed by a lot of people.

“ When I describe Mimi...I would say she was the epitome of a lovely woman...who loved many so very deeply, had a quick wit, wonderful sense of humor...and never had a hair out of place and perfect make-up anytime I would see her over the years. She would always welcome me anytime I wanted to see her....she would say "That would be swell." We sang some songs from time to time and it didn't matter if we were off-key. We were enjoying each other's company. I will miss her deeply and hope she knew how special she was to me. Listen carefully.....the angel's wings are fluttering so very gently.
