“ *Lilliana and I send our condolences and wish we could be there.*

I will never forget the first time I met Leo Boczar Sr. He completely bypassed his son, that he hadn't seen in a long time and headed straight to me showing off his undeniable charm and wit. He eventually said hi to Stephan afterwards. I will always remember his stories and giant personality. He will be greatly missed by many. But most of all, I want to thank him and his lovely wife, Maria for raising their children with a foundation of personal value, strength, responsibility, and most of all, love. It shines through them and will never be forgotten. Sending our love from across the pond.

“ *I loved it every year on either Thanksgiving or Christmas as he would say grace, he always started crying before he got a word out. My fondest memory of you Papa Boczar. Rest in peace.*
