“ *Abuela,  
You were the most amazing, caring, loving and selfless person I've ever known. You truly were the example of what kind of woman I want to be. Thank you for all the love and the memories you have given me. You were truly loved by all. As my heart breaks, I am at peace knowing that you are no longer sick and are rejoicing with the Lord. Until we meet again. I love you forever*

“ *Abuela,  
There's not enough words to describe what a GREAT person you were (inside and out). You were a great example of what a grandma, aunt, mother and friend should be. You were loved by everyone that knew you. You always put everyone's needs before your own and made sure no one went without. Even though my heart is heavy and in pain, I'm at peace knowing that you've been healed from your sickness and rejoicing with the Lord.*
