Lori was always a faithful sister with many issues, but those are behind us now. She was a true Christian and we look forward to spending eternity with her in the presence of Jesus!

My husband and I have known Lori for about 38 years--since shortly after she became a Christian. She stayed with us while she was trying to get a job in Tampa. Since those early years, we have mostly lived in different cities, so we had to fellowship by telephone instead--at least a couple of times a week. I will really miss Lori's sweet prayers for our family during our prayers-by-phone. God really blessed her life when she married you, Mitchell, and you will continue to be in our prayers!
