“ You were the reason I graduated high school. I was anxious about my algebra class that I kept failing . I called u crying and with a few days to the test you told me to come over and help me . You helped me tremendously i couldn't have done it without your help . You were always a sweet heart and you always lended a ear to anyone that needed it . You were always there for me when I needed someone throughout the years even if we spoke everyday or didn't . Thank you for who you were in my life . I pray that you have a beautiful room in gods house because you deserve it .

“ Lucas was my boy! Back in our early teenage years we had a special bond. We talked and laughed so much. I would tease him by calling him "Peluquita". I even remember giving him a manicure. Over the years, life happened and we lost touch, but the friendship and love always remained. I am grateful for that moment last year when Isabel (his mom) gave me his contact information. I was happy to talk to him on the phone after so many years! I was hoping to see him again soon, to reunite here on earth, but God had another plan. I know we'll meet again, but until then, may he rest in peace. My deepest condolences to his family. May God give you the strength to endure. Love you all!
