“ My Tio, my uncle, my first Santa . My teacher of card games and long talks about life. Tears are inescapable when a person thinks of Tio Louie. I'm so grateful to have loved him. I'm glad he has no pain and is in paradise. I will miss him even still.

“ My uncle & I were true yankee fans! My uncle was the first man in my life to ever show me how Santa Claus visited children in apartment buildings. He had the most joyous laugh and was wise beyond his time and I will truly miss him with all my heart. I'm happy my uncle got to meet my son Omar Varela! My uncle will always been known to me and my son as tio "uh-oh spaghetti-O's" we send all of our loves and prayers to the family and we will all be reunited again in time! God bless!
