“ *Rest well Beautiful! I respect and admire you for all you did for Mia and your efforts take care of me when I was too young to fend for myself. I still remember all the beautiful care packages that you sent. Your love and kindness will always be in my heart.*

“ Rest in Paradise, Mrs. Lula. You were loved and will be missed by many. Your kindness and generosity during life were unparalleled. You were always kind and your quiet sacrifices were noticed and appreciated by all of your love ones. I met Mrs. Lula in passing as I would only see her from time to time when I was visiting her granddaughter, who lived with her on and off over the years. I will never forget the day that Mia came to my house in a brand new minivan that Mrs. Lula had purchased outright for her. She had done this with no expectations and for nothing in return. Her only motivation being to enhance the life of someone that she genuinely cared about. A completely selfless act. In that moment, Mrs. Lula showed me what unconditional love and support looks like. A beautiful selfless act that was a demonstration of her values and transcending love for her granddaughter, Mia. A testament that still speaks volumes. Rest in Paradise, Mrs. Lula, you are a shining example of how one person's act of kindness can create a ripple of positive transformation. Thank you for being a wonderful grandmother/mother to my friend.

“ My deepest condolences to Lula's family. I knew Lula when she lived in Hopewell, Va. She and I had a mutual friend. There were several times I needed her help and she was there for me. I had the opportunity to return the favor during the horrific ice storm of Christmas 1998 as I was one of a very few left with electricity. Lula spent a day or two at my house. We exchanged gifts, cooked Christmas Dinner together, and just had a beautiful time. Lula taught me how to cook collard greens that day and I still use her recipe now. Lula and I had most of our communication talking to each other over the phone. i would definitely say we were "phone buddies". We would talk for hours about any and everything. We shared our deepest,darkest secrets.Life took different turns for us and we sorta lost contact. I missed those chats once she moved away.To Malinda,Tracy and family, I'm so sorry for your loss, but it was nice seeing the beautiful picture of Lula, it brought back so many dear,beautiful memories. May God bless you and yours. Hold on,Joy Cometh in the Morning.

Sincerely,
