“ *I haven't gotten the opportunity to meet such a wonderful woman and mom. I am grateful for the love that she shared with my brother and the experience of love you shared with all of them. You are a true fighter which has inspired me to never give up. Rest easy. Sleep in peace.*

“ *Miriam,*

You watched a few of us grow up from teenagers to men along with Martin. You accepted us and treated us with love and respect.

You have earned your wings.

May you sleep in peace.
