“ *My heart ached to know you were gone. It sadden me because Genesis didn't have the chance to say good-bye. However, I am forever grateful for the love you gave her and myself. As Genesis grows, I will call her "chinita" in your behalf and tell her stories about you. Your memories will be graved in Genesis spirit. We love you so much our angel.*

Love Genesis and Amanda.

Rest in peace.

“ Please accept my deepest sympathy for I too know the pain of losing someone as special as a mom. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe away the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!
