“ On this night, we shared so many laughter and we had a blast. I will miss you so much and sure will miss your smile. I thank you for all you did for us and will always be appreciative of it all. I won't say goodbye, but till we meet again. I am sure you are happy where you are, just keep an eye out for all of us. Love you and rest easy. Till next time.

*I still can feel her warm embrace,
And picture yet her loving face
A mother's tasks are never done,
And often must have needed one,
For angels came and took her hand
And led her to God's promised land.
She's surely kept quite busy there
While tending little angels' hair,
And making sure they're dressed just right,
Not staying out too late at night.
Although there's sadness, this I know --*
