“ Kaitlyn sent me your vm message last night. I must of listened to it on repeat for 15 mins. I couldn't believe your voice was coming out of the speakers. It feels like forever since I heard you. But your laugh is what I miss hearing the most. It was so contagious. I miss you.

“ I miss you and there isn't a day that goes by that I don't think about you. I just wish I could have one more talk with you and tell you how much I hated us fighting. I just want to hear your laugh one more time. I love you sister ❤️

“ *She was the funniest person I ever met, always laughing and so quick with her own one liners. She's irreplaceable, I've never met anyone like her. Rest in Peace Lynda, I'll never forget you, wish we could've figured it out.*
