

Madeline Diaz

June 10, 1953 - March 3, 2019

Madeline Diaz age 65 passed away at home in Orlando Florida, surrounded by her loving family. Affectionately known as Mickey to her friends and family, she was born on June 10, 1953 in Manhattan, New York at Bellevue hospital, to father Juan Diaz, mother Nicolasa Acevedo Diaz. She grew up in a large loving Puerto Rican family and was proud to be Boricua!

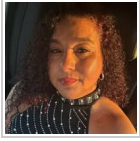

Mickey was a loving beautiful woman, she was a woman full of life and laughter, If you needed her she would be there for you 200%! If you were lucky to be caught in her embrace or care, she would defend you tooth and nail. She loved hard and played hard, BINGO to be exact! Her famous saying when Ball O 69, would be called is Chupa me la Alegria! She loved to knit and crochet, and play crossword puzzles.

All of her family and friends loved her; she left a loving impression in all of our hearts and will be truly missed! We will miss hearing her say I love you to the moon and back!

Mickey is survived by her daughter Ruby, son-in-law Robert, his father Freddy, his mother Fanny, grandchildren Annelise, Jamaris, Robert Jr, Joseph, and Rebekah. Her sister Nimia, her brother Rolando, numerous nieces and nephews and great nieces and nephews and great-great nieces. She is preceded in death by her parents, her brothers Vicente Diaz, Juan Jose, Wilfredo and her sister Ramona (Tati) Diaz.

Services will be held privately at a later date.

“ Oh dear Mickey, how I remember how you accepted us with open arms. Always loving Ariel or as you called her "Oreo". For introducing me to the most amazing Puerto Rican dish "Alcapurrias. For making me laugh and allowing Ariel and I too experience your beautiful heart and amazing humor. We will always treasure your existence and forever see you flying high in the Lord's presence. “ One day we were in Colasa house and they were playing cards with friends and family , it was time for her to make coffee. The coffee she was serving was “Cafe Pilon “ there was man there named Krispin , she asked him “Don Krispingo” usted quiere “Café Pitón “ instead of “Cafe Pilon” we all laughed for about 10 minutes cause she realized she said “Piton” instead of “Pilon”. I have many Great memories of her , I met her in June 1976 we always hung out at the handball courts of 5 Diamond park , Mickey and my brother Chilly would get in the court and no one could get them off she played Handball like a pro. She was funny always had you laughing , took care of her mom Colasa when she got sick without ever complaining, she had the Biggest heart Was always there if you needed her.. She was afraid of no one didn't take Crap from anyone. She was always there for all her nieces and nephews helping raise some of them and protecting them always. Thank You for for Loving my boys , they love you like a mother . You will forever be in our Hearts,
