What a blessing it was to know her. She will be Greatly Missed By Us All..

The matriarch , the OG , forever in our hearts. Although it doesn't completely make sense why you're gone so soon, we will still treasure your life as if you are with us everyday. Rest In Peace grandma 🙏

Quien fue Yola en mi vida !!

Son tantos los momentos en nuestras vidas como hermanos que comenzaría por decir que era mi confidente la hermana alcahueta que te guarda todos tus secretos sin tener el miedo en que te delatara. El alma feliz de la familia fueron pocos los momentos en que la miré enojada y si lo hacía le duraba muy poco porque la felicidad que vivía dentro de ella era incontrolable. Soy de poco conversar por teléfono pero cuando lo hacía con ella era algo que no podía controlar y pasaba hasta 1 hora en ocasiones con conversaciones desde que éramos niños hasta el presente. Ahora con quien voy conversar y será mi confidente ?? Te amo Golda y vivirás siempre en mi corazón. 🥺

“ Not sure what I'll miss more fighting over certain singers/actors claiming there yours or I claiming them as mine. Or listening to you talk about your g-strings bathing suits while were vacationing... Sexy titi or you cheezing so hard because of your teeth. The 100 emoji you would put on my time line when ever I posted. Titi you made our vacations extra special your laugh, your so inappropriate jokes, reminiscing your cooking... Your kisses and hugs but above all watching you and mom chatting it up at the kitchen table drinking una tasa de cafe.. I love you so much titi RIP until we meet again... I will never ever forget you. Today I will celebrate your life and all of the special memories I have of you... You have left an everlasting print in my heart and soul. I Will always love you

“ Son tantas anécdotas que puedo contar junto a ti que creo nos tomaría otra vida para aún así no concluir, entre ellas la de ser un gran ser humano porque no importará cual fuera la situación siempre le buscabas el lado positivo y jocoso para seguir con la vida. Pero creo que la más importante es que por medio a ti conocí a Carmen Ortiz ‘ Yoly ‘ la cual me regaló mis dos Leones ‘ hijos ‘. Pero se que ahora estás a la diestra del Padre y a su vez con Mami, Pedro, Abuela y abuelo llegará mi turno y ahí nos volveremos a encontrar y estar juntos nuevamente hasta la eternidad. Te Amo Golda y siempre estarás en mi corazón

“ I can post a trillion pics and say a million awesome things about my mom because truly to know her was to love her. She was a everything a Warrior is suppose to be. This pic is how we spent Christmas 2019 when she tripped on a cracked sidewalk as she was getting into the car so we can go to church. She was in the ER laughing and telling me how that was her fav shirt and how it got ruined. Still Smiling Despite the hit she had just taken.
