“ My thoughts and prayers goes out to the entire Gunderson family! Mark was one of a kind and so very special to me. When I think of Mark...three words come to mind....Life, Love and Laughter! Every memory I have of Mark included so much love and laughter and he always lived life to the fullest. My family loved him so much also, especially my mother. She always told me that she loved how my face would light up when Mark was around. We lost touch over the years because of time and distance....but I never stopped loving Mark. I was so thankful that we connected again 2 years ago through phone calls and text. We made several plans to meet up recently...but Covid, time and distance didn't allow that to happen. I have so many wonderful memories of Mark that will be forever cherished in my heart. Its kind of ironic that it was his heart that failed him....because he had one of the best and kindest hearts of anyone I've every met! My heart is aching from his loss....but I know Mark is walking the streets of Heaven and without a doubt, he's making everyone laugh, especially my mother. I think he's even making Jesus laugh! I pray that God will hold all of you in His loving arms and give you His Peace and Comfort during this difficult time!
