

Martin A. Rodriguez

August 9, 1982 - June 22, 2021

Martin Alberto Rodriguez, passed away on June 22, 2021, after his fierce battle with gastric carcinoma. He was 38.

He was born on August 9, 1982 in Mexico City, Mexico. He and his family moved to Orlando, on his 7th birthday. He attended Colonial High School and was a member of Faith Assembly of God. As a young man and into his early adult life, Martin worked alongside his father & brother, in their family Finisher & Drywall business.

Later, he would find his love for cooking and became HACCP & USDA Certified. He worked in the kitchen for 15+ years at Orlando International Airport, Savvy Services, Fedwel, and Faith Assembly of God. He had such a passion & creative mind, when it came to food and presentation.

He would later find a new passion, working with Advent Health. Martín took initiative and worked his way up. He would soon conquer & acquire his CDL (after many hours of practice with his wife & daughters assistance, of course.) He drove the semi's for Advent Health with pride & passion and was always willing to help the next person achieve the same goal.

He enjoyed grilling, cooking and reading but his favorite past time was fishing. Martín didn't go anywhere without a fishing pole, even if it was a coke can and

some fishing line, he was gonna find a way.

Martin was the kindest, most selfless, man you could ever meet. He lived for Jesus and was a true fisher of "Men." He will be dearly missed by his family, friends, co-workers and all who knew him.

In addition to his wife, Geni and his daughters, Maryda Marie and London Rain; Martin is survived by his father and mother, Jose and Maria, as well as, his sister, Maria (spouse Michael) niece, Abigail, nephew, Anthony, his brother, Francisco, niece, Nathalie, his aunt and uncle, Minerva & Claudio and cousins, Angelo, Sandra & Marlene, along with other family, whom he loved dearly.

Martin's Celebration of Life will be held at Faith Assembly of God 9307 Curry Ford Rd. Orlando, Fl 32825, on Saturday, July 3, 2021 at 10 am.

The family will be there to welcome friends and relatives following the service.

“ *Tomorrow is my surgery day. I am nervous and relieved at the same time. Knowing all the cancer will be removed outweighs the scar I will have from tomorrow's surgery. I'm grateful 🙏 I'm also grateful for you. For your strength and courage you showed during your cancer diagnosis all the way until the very end. I admire you! The day they gave me my cancer diagnosis, you were the first person who came to my mind. I was full of fear and confusion but thinking of you gave me a sense of calmness and gratitude 🙏 I love and miss you very much! I wish you were here 😔*

“Hi my brother” Como te decía cada vez que te veía. Quiero que sepas que te extraño demasiado y me haces mucha falta hermanito. Me recuerdo de toda nuestra infancia que vivimos en Mexico y la vida que formamos en este país junto a nuestra familia. Se que tu partida nos ha dejado un vacío en el alma y tristeza en nuestros corazones que solamente el tiempo lo sanará y con la ayuda de nuestro padre todopoderoso Jehova. Lo que nos da aliento es que ya no estás sufriendo y los días de dolor y agonía se terminaron para ti. Lo cual nos fortalece y nos da Fé que nos volveremos a ver donde tendremos vida eterna. Te amo mucho y Siempre tú recuerdo vivirá en nuestros corazones mi querido y amado hermanito Martin (Pollo)!

Martin. Fue un gran amigo que lo extrañaremos mucho en el laboratorio de Altamonte .Siempre tenia palabras de animo y sus chistes sanos para hacemos reir. Martin ahora duerme el sueño de los Santos hasta que Jesus vuelva y lo levante de la tumba. Esa separacion sera por un corto tiempo . La venida de Jesus esta a las puertas y los muertos en Cristo resucitaran primero. Un gran abrazo de condolencia para toda su familia.

“ Thank you brother for sharing the kindness and love with me and the moments that you spared with me, you were always sharing and caring among you peers. Forever grateful and will cherish you and your family. May we come together one day and profoundly praise our god Jehova once again as we did. You left us a gift which was faith in our lord Jesus christ , geni, London and the Rodriguez family. May we continue the love we shared in faith. Love you brother.

“ My Brother in Christ Martin aka (Quique) that's what we called each other. I Clould here him right now every time he saw me he would yell out Quique to let me know he sees me. He Was and will always be an amazing, Loving caring person in my eyes. His Daughter Marayda was born the same year as my son and they practically was raised together. I would alway tell him when our kids grow up they will get married and make us family. I had the privilege to see him days before he went to be with the lord. It's was bittersweet to say the least. I know he's with God rejoicing in his presence. God Bless his family.

“ *The Lord says there are angels among us & boy I wondered if Martin was one of them because he had such a big heart, was a man of service & love for life! I’m so thankful to have worked with him & joyful that one day all of us will be together again in Heaven. My prayers go out to his family for healing. Til we meet again friend!* ”

“ *My heart goes out to Martin’s daughters, wife, and family. I worked with Martin several years ago and when he switch jobs I was so sad not to see him anymore because he was always made us smile. He talked so proudly of his daughters and the love he had for his wife. I am so glad to have known Martin and I will never forget his smile. My deepest condolences, Jacqueline* ”
