“ *Missing Granny and her wonderful hugs. We will always treasure the hugs, love, and genuinely beautiful soul that Granny shared with all.*

Granny, may we feel your presence with us at Joy MCC as we worship each week. During our last conversation you mentioned you are there with us in spirit since you can't be there in body.

In loving memory...

Granny was always such a delight! Always had a smile and loved to hug and kiss each of us. I picked the pink candle because she always looked so pretty in pink! Debbie Oliver and I send our love and prayers to you, Dawn and Diane Finnmore. She will be dearly missed.

“ *It was always a pleasure to spend time with Granny. Every choir practice and before Sunday services the first thing I did when I came in was to give Granny a kiss and a hug, and then she told me how pretty I was. She was a blessing in our lives and we were honored to have known her. We keep Dawn and Diane in our prayers.*

“ *I am saddened by the loss of this fine, feisty lady. My thoughts and prayers are with Dawn, Diane and family. Yes, this was sudden and unexpected, but at 101 every new day was a gift and it seemed Granny made the most of them.*
