“ *In Memory of Matt La Victoire,*

Today February 27, 20122 at your third year of your passing

Remembering Matt is always a moment to think of a very special person who made an instant connection when we first met. Was it love at first sight when you saw my little daughter? I will never forget that special momentum that I have always treasured.

You will be always remembered as a fun person and so full of laughter.

Thanking Jesus, our Lord, I believe your soul is at peace. I am very thankful that we had you when we most needed a friend.

May God bless your soul

“ *I will miss hearing from Matt. His sense of humor and love for his family will continue to be my favorite memories. He was always so very appreciative of everythingwhether it was a card or call or kind word. He constantly thanked Tim for his service and for the beautiful military graveside ceremony for Uncle Larry. I know that to be buried with his mom and dad will be a special final resting place. I so admired Matt's courage and strength as he fought his many health battles. Rest in peace dear heart.....I can hear Aunt Margaret saying. Our love and prayers go out to Mary Jane, Tim, Jeff, Mark, and Mike during this sad time. Tim & Chris Hernandez*

“ To; Matt's Family ...By now, and with all of the tributes about Matt you can see a trend that he was loved not only by his OGC Family but everyone that knew him for is dedication to OGC and his Fierce determination to fight for every breath in his Battle with his ailments.

We were friends from the get go and most recently when he attended our shows, He would tell me that at 86 and still singing etc, that I was an inspiration to him, when in truth it was he for his fortitude that inspires me and will continue as long as I can get up and go. ,

Edd Sinnett (or as he put it on F.B. affectionately known as "Peaches" in OGC and the LGBTQ community.

“ *It was an honor and pleasure to sing with you as part of the Orlando Gay Chorus. At first you were surprised that an openly gay Catholic priest would be part of the chorus. We shared our views on Catholicism, became good friends, served on committees of the chorus. You have always been in the prayers of St. Dorothy Catholic Community. As we say: "Life is changed, not ended." You have left this class to proceed to your next filled with the love and experiences you had while with us.*

Memorial Mass for Matt will be on Sunday, March 10, 2019 at 11:00am at St. Dorothy Catholic Community (which meets at St. Matthew's Tavern) 1300 N Mills Avenue, Orlando, FL

*It will also be televised on Facebook Live under the pastor's Facebook Page

“ When I was diagnosed HIV-positive back in 1993 I was directed to an agency called the “AIDS resource alliance” Matt wasn’t working there and was one of my first conselors. I will never forget him. Over the years I briefly sang with him in the “Orlando gay chorus “. I’m sure I loved him more than he knew.
Rest In Peace my dear brother. You put up a great fight and I will forever be inspired by that.
We will meet again someday.
Say hello to god for me.
Love you.

“ Matt - you are by far the strongest man I know. You faced challenges that would have many of us fold up and give in. You were authentic. A true warrior, always fighting for what you believed in and wearing your heart on your sleeve. We didnt always agree, but there was always love and respect present.

I will always remember singing with you on stage, the rehearsals and the many, many meetings we shared during our time with OGC. You touched many lives and I do believe we have been changed for the better, because we knew you. I’m glad i was able to call you my friend. So glad you are out of pain. We’ll miss you.
