“ Mike was a very close friend and the best neighbor you could ask for. He was always in good humor, loved a laugh, and was there to help you whenever you needed it, and he seemed to know when you needed it and suddenly he would appear.

We shared many a time fishing and enjoying the outdoors which he truly loved. He was natural company, the sign of great friendship, and the world is a better place for him having lived in it. I know he was a loved son, a loved father, and a loved husband.

I miss him but I know he's at peace. Thank you Lord for blessing me with having Mike Zoll in my life.
