“ I love Midge, and always will. She was so kind to me. She made me feel special. She loved the creatures who are unable to fight or speak for themselves. I admired her strength and power. I had spoken with her on Saturday, and I am so grateful for getting that opportunity. She is missed.

“ I feel so lucky to have had the opportunity to know Midge. I wish I had more time. I think her and I would have meshed our sense of humor's together very well. To Gary and her family, I am so sorry this beautiful woman has passed away. My heart is heavy for you.
